SIR,

I have the honour to state that the Deputy Commissioner, Bangalore District has reported in his letter No.C.(3) 3270/32-35 dated 22nd March 1933 (copy enclosed) that the Jigani Village Panchayet in the Anekal Taluk propose to provide 15 electric lights for street lighting in the village, and that this proposal costs the Village Panchayet Rs.225/- per annum. The present income of the Village Panchayet is stated to be Rs.504-2-0 per annum and is not considered adequate to meet the normal requirements of the Village Panchayet as well as the additional expenditure on electric lighting. The Village Panchayet has therefore resolved, after observing the prescribed formalities, to levy under Section 37 of the Village Panchayet Regulation an optional tax of annas four on every rupee of the compulsory tax now levied by the Village Panchayet to enhance its income to some extent. It is calculated that by this additional levy, a sum of Rs.126-0-0 will be realised. The Deputy Commissioner recommends the proposal. In these circumstances, I request that sanction of Government may be kindly obtained to the levy of the optional tax, subject however to the condition that it should not exceed Rs.6-12-0 per annum on any plate.

The enclosures received with the Deputy Commissioner's letter are returned for reference.

I have the honour to be,
Sir,
Your most obedient servant,

Letter No.C2. (a)3273/32-33 dated 22-3-1933 from the Deputy Commissioner, Bangalore District, to the Revenue Commissioner in Mysore.

In forwarding herewith the file of correspondence ending with Dodballapur sub division Officer's report No.A3. 1257/32-33 dated 29-1-1933, relating to the levy of optional tax by the Jigani Village Panchayet, Anekal taluk, I have the honour to state that Panchayet desire to have street electric lighting and for the 15 street lights, they intend to putup, the expenses will come to Rs 225/- annually. The income of the Panchayet is reported to be only Rs 504-2-0 and if the lighting charges in entirety is paid out of this fund, a very little amount will be left for the other improvement works. So the Panchayet have resolved, after observing the prescribed formalities to levy under Section 37 of the Village Panchayet Regulation an optional tax of annas 4 on every rupee of the compulsory tax of the Village Panchayet for meeting the lighting charges.

The Amildar reports that an additional amount of Rs 126-0-6 will be realised from this levy and that it would facilitate the Panchayet to utilise the balance of the fund as noted in the margin for other improvement works.

In the above circumstances, I request you to kindlyobtain sanction of Government for the levy of this optional tax under Section 37 of the Mysore Village Panchayet Regulation.
